

foto buisjes  
gradient

grafieken

- redshift (LT F alle planten)
- Verfstrook
- paper foto (time resolved)

context

foto PSI + antennae  
transfer uitleggen  
trapping

POSTER

methode

- centrifuge
- absorptiemeter
- fluoroscencemeter
- lasers voor time-resolved
- formule trapping time

research question

- redshift (steady state)
- trapping (time resolved)

discussion:

- zie labjarnaal

conclude:

- beantwoorden research question

maxim:

ANIMATIE

stop-motion

transfer:  
licht tot charge  
seperation
